TOBACCO COMPANY CHARTERED.

To Engage in Leaf Business-Suits Disposed of in City Courts.

The United States Tobacco Company, which was organized some years ago by Mr. John Wright and others, and sold by them recently, was chartered in the City Circuit Court yesterday morning. Hereafter the company has manufactured plug tobacco, but, according to the objects set forth in the charter yesterday, the company will now confine itself to carrying on the business of buying, rebranding, sealing, and shipping leaf tobacco in all its forms.

The capital stock of the company shall be \$1,000,000, of which more than \$300,000, to be divided into shares of \$100 each. The company shall have the right of holding stock in similar enterprises.

The amount of real estate to be held by the company shall not exceed five acres in this city, or the same amount outside of this city, in this State, or any other State or Territory.

The principal officers of the company for the first year are the following: Hugh Campbell, president; Thomas B. Scott, secretary and treasurer. These two, together with Fred W. Scott and T. Nelson Strother, are to form the Board of Directors.

All are Richmond gentlemen, with the exception of Mr. Strother, who resides in the city of Baltimore.

In the Circuit Court, Judge Wellford dismissed the suit of Shapiro vs. the Baltimore Clothing Company.

In the Law and Equity Court, in the suit of J. K. Jones vs. John Wesley and J. H. Signale, trading as Wesley & Co., a judgment for \$100.59 was rendered for the plaintiff.

A judgment was also rendered in favor of the plaintiff in the suit of M. J. Lawrence vs. W. E. Dorset. The damages in this suit are assessed at \$62.10.

HE TREMBLES WITH FEAR.

Justice John Dreads Being Arrested for Spitting.

Justice John dreads the sight of the new ordinance against a fellow's spitting before him yesterday morning. The very natural man was Mr. W. W. Gathright, who sat on the floor of the lobby of the Elton Theatre. He was seen and reported by Policeman Wyatt, of the Second District. Mr. Gathright told his Honor that he was not aware of the existence of such a law and for that reason the minimum fine of \$2 was imposed on him.

Justice John explained to the victim that he had his sincerest sympathy, and that he himself trembled in his shoes every time he went on the street for fear he would have to pay Sergeant Thomas

A PARDON GRANTED.

Executive Clemency Extended to a Rockingham Convict-Captain Notes.

Governor Tyler yesterday granted a pardon to Jacob Ship, who killed John Hotfinger, in Rockingham county, eleven years ago, and in March, 1889, was sentenced to eighteen years in the penitentiary for murder in the second degree.

The Governor assigns the following reasons for granting the pardon:

"The prisoner's act was not premeditated and was without malice. A sudden difficulty arose between him and the party murdered, and he, in a moment of passion, drew a knife and cast it aside and picked up a piece of iron pipe, which was being brought down on the prisoner's head simultaneously with the firing of the fatal shot.

"The prisoner was very much affected when he realized what he had done, and hastened for a doctor and helped to carry the body of the dead man home. The punishment was severe, and as the prisoner has served more than ten years, and his record, with a slight exception, has been good, and on account of the fact that he has an old mother (90 years old), who is praying to see her son before she dies, and the further fact that seven of the jurors and a large number of the citizens of his county unite in petition for his pardon, it is hereby granted."

PARDON REFUSED.

THE INQUEST HELD.

Coroner's Jury Fixes the Cause of Robinson's Death With Scott.

Coroner Taylor held an inquest yesterday at 11 o'clock at the City Hospital over the remains of Paul Robinson, the young negro shot and killed by John Scott, also colored.

A great number of witnesses were examined and the jury was sitting for a long time. Their verdict was that the deceased came to his death from pistol wounds at the hands of John Scott, without disturbing the disease itself.

The charge of killing Robinson was placed against Scott in the Police Court yesterday morning, but the hearing was continued until to-day to await the result of the inquest.

RANDLETT IS BEATEN

W. A. NEAL ELECTED TO MANCHESTER COUNCIL YESTERDAY.

BUSINESS-MEN CALLED TO MEET.

A Petition to the President from Members Asking for a Meeting to Endeavor to Get the R. P. & C. Shops--Tuesday Evening Set.

Mr. W. O. Randlett, for several years a member of the Manchester Council from the First Ward, and the nominee for reelection at the hands of the Democrats, was yesterday defeated by Mr. W. A. Neal, an independent candidate, by a majority of 29 votes.

There was no opposition in the other three wards, and the old members of the Council being nominated, were duly elected. The voting was conducted throughout the city very quietly, and except in the First Ward the polling was exceedingly light. In the First Ward the heaviest vote of years was polled, but everything was quiet and orderly. The following are the figures in all the wards: First--Neal, 12; Randlett, 12; Second--W. W. Pool, 29; Third--W. T. Hart, 24; Fourth--John E. Fitz, 4. The new members of the Council will take their seat at the regular meeting on the second Friday evening of July. At this time the body reorganizes.

BUSINESS-MEN CALLED.

A petition signed by Messrs. D. L. Toney, W. B. Pleasant, C. M. Harshbarger, W. H. Washington, and W. J. Carter, was sent to the secretary of the Business-Men's Association yesterday, asking the president to call a meeting of that body to consider the advisability of appointing a committee to wait on the officers of the Richmond, Petersburg, and Carolina railroad, and offer them, in the name of the association, inducements to locate their shops and depot in this city. President Daffron has called the association to meet on Tuesday evening, at 8 o'clock, at Toney's Hall.

OIL ON TROUBLED STREETS.

It is now proposed by the City Engineer to put oil on the troubled streets to keep the dust from being stirred by the breezes and passing vehicles. He proposes to ask the Street Committee at their next meeting to permit him to make the experiment, and if their consent is obtained he will try the oil on Semmes street.

The police are on the lookout for mischievous boys who congregate on Mayo's Island and stone passing trolley cars. The last german of the Wednesday Cottillion Club was given at Leader Hall Wednesday, at the conclusion of the dance the club disbanded for the night. Mr. Morrisett was the leading spirit of the organization, and a vote of thanks was tendered him for his efforts for its success.

PERSONALS AND BRITS.

The sole case before Mayor Maurice yesterday morning was continued to get witnesses. Miss Alice McMahon, of Lyle's Meadow, is in Washington, visiting relatives. Harry Harding, son of Mr. C. R. Harding, is ill at his father's residence, at Fourth and Marx streets.

KEY-WATSON.

A Pretty Home Wedding in Bedford City.

BEDFORD CITY, VA., May 25.--(Special.)--At the home of Mr. and Mrs. William E. Watson, on Peaks street, at 2 1/2 o'clock Wednesday afternoon, a pretty wedding was solemnized, when their attractive daughter, Miss Rosella Watson, and Mr. Gilbert J. Key, a prosperous young farmer of the county, were united in matrimony. Rev. John Ruff, of Richmond county, officiated, assisted by Rev. H. H. Hays, D. D., of the Presbyterian church of this place. The parlor was very tastefully decorated with evergreens and fresh flowers. At the appointed hour, to the strains of Mendelssohn's wedding march, played by Miss Jessie P. Pullen, of Nininger, the bride and groom entered as follows: Miss Estelle Watson and Mr. James Wheat; Miss Annie Key and Mr. Clark Delvett; the maid of honor, Miss Lou Watson, sister of the bride, and the best man, Mr. Mac Key. After these came the bride in a becoming street costume of blue, and carrying bride roses, and leaning upon the arm of the groom. After the ceremony, refreshments were served, and the guests, when the bride and groom entered, were seated at the home of the groom's mother, in the country, where last evening Mr. and Mrs. Key were given a reception.

RAILWAYS FIGHTING.

A Very Interesting Situation--One Constable Arrests Another.

NORFOLK, VA., May 25.--(Special.)--The Portsmouth Street Railway and the Port Norfolk Railway companies are fighting to-night. The former company had crossed the latter's tracks, when an injunction was secured from the Federal Court restraining them from further trespass. To-night a force, commanded by a constable, was sent to tear up the tracks laid by the Portsmouth company, when a squad of the latter's workmen appeared and overpowered them. These workmen were also accompanied by a constable, who arrested the Portsmouth constable, a constable and hustled him off. As the injunction is still in effect, many arrests will probably be made. At a late hour the contending forces were still facing each other.

Imported Caps for Bottles.

WASHINGTON, May 25.--Assistant-Secretary Stirling has ordered that imported caps for bottles, to be used in the exportation of whiskey, must pay customs duty, except where the caps are imported for transmission to a bonded manufacturing warehouse, where the whiskey is bottled and prepared for exportation.
